5 STAR GOOGLE REVIEW

Sally Jean was our absolute saviour for our wedding cake and was genuinely one of the best decisions we made in the entire planning process!

Sally was unbelievable, was able to make our date work and our cake dreams come true!

She is one of the loveliest people I've ever met and you can see her passion for baking/design in what she creates - we had so many comments about the cake on the day! It was beautiful and delicious - her flavours are to die for! Do not hesitate to book Sally for your wedding - you will not regret it!

Well first of all I would like to say a big thank you to Sally for the amazing cake you made for our wedding! It was truly wonderful.

Now, for those of you who are looking for someone to make your cake- look no further! This lady has an amazing talent and you won't be disappointed. Sally listened to our brief and matched the flowers beautifully to what I had in my bouquet- so much so that our wedding guests actually thought they were real and that our florist had provided flowers to decorate it! So that's the exterior, now for the taste- wow! The cake tasted so yummy! There were no complaints from anyone. Following the wedding we still had some cake left so we cut it up and froze it. It defrosts well and still tastes just as good. So all in all- if you need a wedding cake making, get in touch with Sally and you won't regret it. Karen & Chris

Sally makes the most beautiful cakes.
Having worked with Sally quite a few times,
each cake is always just perfect.

I've also ordered cakes and
marshmallows from Sally too
and the taste is so fresh and somehow
full of flavour but light too!

Sally is really professional but also a lovely person too
so you will be in the best hands
if you choose Sal to
create your wedding cake.

Sally was just amazing from start to finish.
She patiently chatted to us about
what we wanted and what our theme was,
even created one tier that was
inspired by the wedding dress...
and that's just the outside!

The flavours were to die for.
We would wholeheartedly
recommend Sally to anyone.
Both taste and looks were just incredible.

As soon as you have booked your wedding venue, please contact me to check my availability. Due to the bespoke nature of my cakes and the time & attention given to each order, I only take on a limited number of cakes per month. I advise booking your date with me at least 6-12 months or more prior to your wedding date, although my diaries for 2024 to 2025 are now open. Short notice availability may be possible, so please do not hesitate to contact me. After our initial contact (often with a short Zoom call where you can ask any questions and see if we are a good fit for each other), if you are confident you would like to book me to make your wedding cake, I just take a **£100** non-refundable booking fee to secure the date in my diary. Final designs of your cake will be made 6 to 4 months prior to your wedding during our Cake Design Consultation (see below).

CAKE DESIGN CONSULTATION

Planning & designing your wedding cake is such an exciting time. At this consultation we can discuss your dream wedding cake - the size options, flavours, colour schemes to match your overall wedding scheme and decoration details. We can also talk about any wedding favours, dessert tables or edible gifts you may require.

I also have the option to hire a cake stand & cake cutting knife.

To prepare for this consultation, please visit my social media accounts & gallery for inspiration and get a sense of the style of cakes that I make. Feel free to email me your wedding inspiration board if you have one or other images / ideas you have in mind. Great sources of inspiration could be your wedding dress, a detail on your shoes, the colour of your bridesmaids dresses, your flower arrangements, some other venue decoration detail or something very personal to you. My cakes are bespoke and your wedding cake should be personal to you. I will not make exact copies of other cake makers designs.

After this consultation, I will send you a selection of cake design sketches with various price point options based on our discussion. We can then make any adjustments required.

Once you have chosen your design, I will send out your Order Confirmation and final paperwork and invoice.

ABOUT YOUR CAKE DESIGNER

Hello, I'm Sally.

I have been an artist (a painter) for as long as I can remember and as a student, studied Fine Art & Textiles. I love elegant style (I am a big Audrey Hepburn fan). Although I have quite a minimal, 'less is more' approach with a love of whites, pastels & clean lines, I am also drawn to pretty florals, delicate textures & feminine grace. My family & friends describe me as "meticulous".

I specialize in making handcrafted, realistic sugar flowers that match your fresh wedding flowers. These can be kept for years as a memento of your most special day and I spend countless hours perfecting and learning this skill.

They say your ideal client is a version of yourself... so I thought about what I love in a brand, what my values & best qualities are, knowing this would also speak to those of you that share my passion for a touch of luxury, appreciation of skill, professional, friendly service, meticulous attention to detail, excellent quality products, a love of art, minimalism, nature & flowers, romance, faith, honesty, integrity, elegance and femininity...to name a few.

Why the name Sally Jean Wedding Cakes?

Sally is my first name, Jean is my middle name, but also it's my mum's first name. My mum (as well as my soulmate, my husband, David), is my biggest cheerleader. She has encouraged me all my life to pursue my dreams and she is a constant flow of positivity and love and I'm like her in so many ways. (I have a lump in my throat writing this!)

So Sally Jean Wedding Cakes will always have a slice of my beautiful, elegant mum.
